

Solidkit®

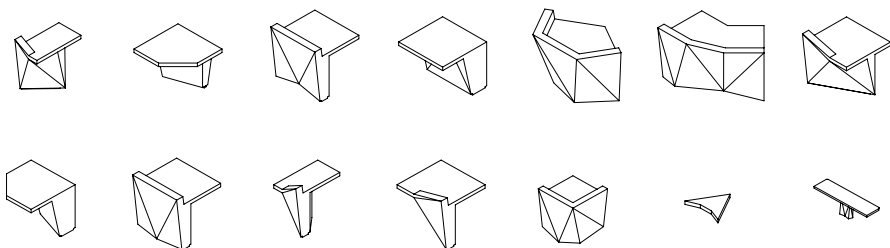

Solidkit® design furniture that combines new and traditional materials in creating systems and individual pieces that offer aesthetic and tactile appeal with an emphasises on craftsmanship.

Our modular systems are highly adaptable and create an instant impression. MESH, COUNTR and FORME offer a solid surface modular formulae for configuration but are installed with smooth seamless joins by our skilled craftsmen.

MESH

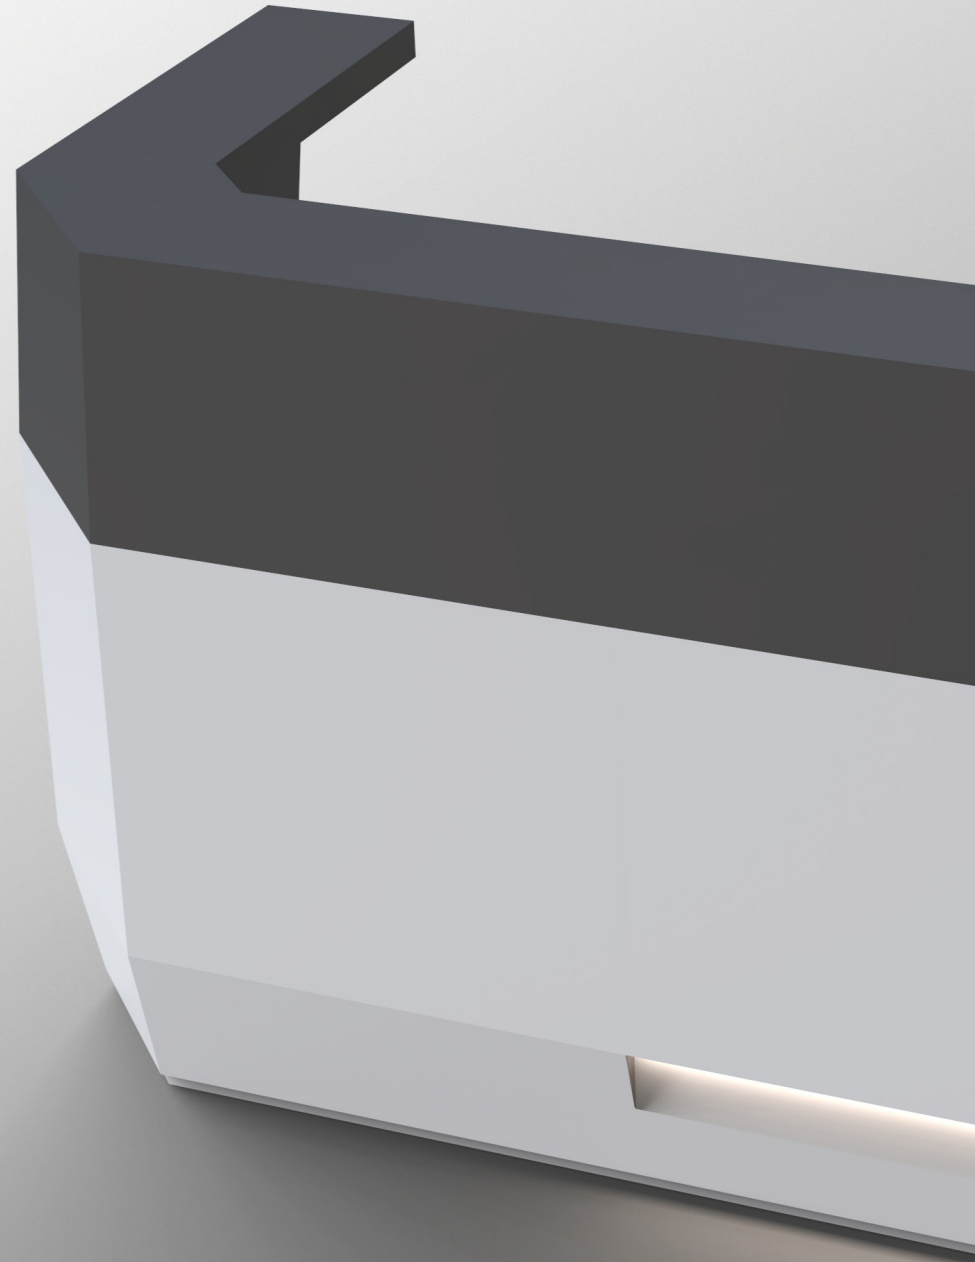

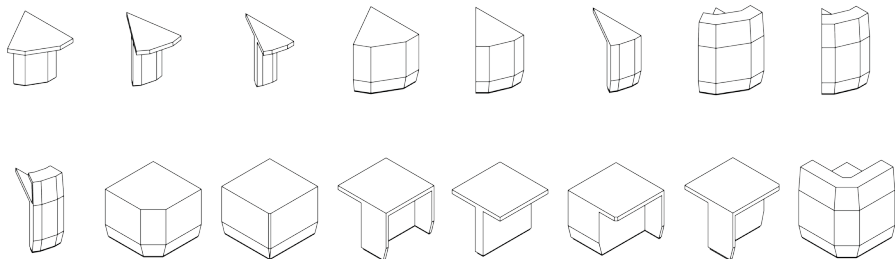

MESH is a dynamic counter system that uses folds to create a bold statement.
MESH is a showpiece for any environment and works within a wide range of sectors.

COUNTR

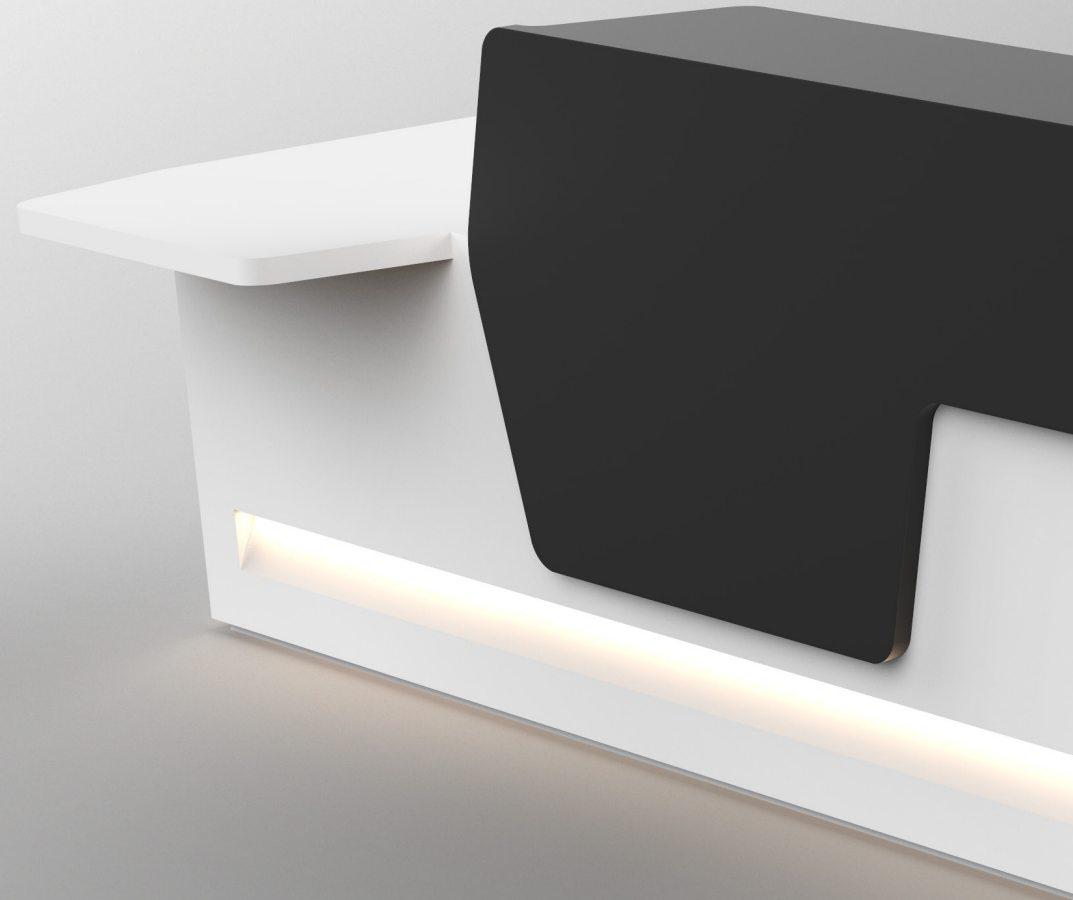

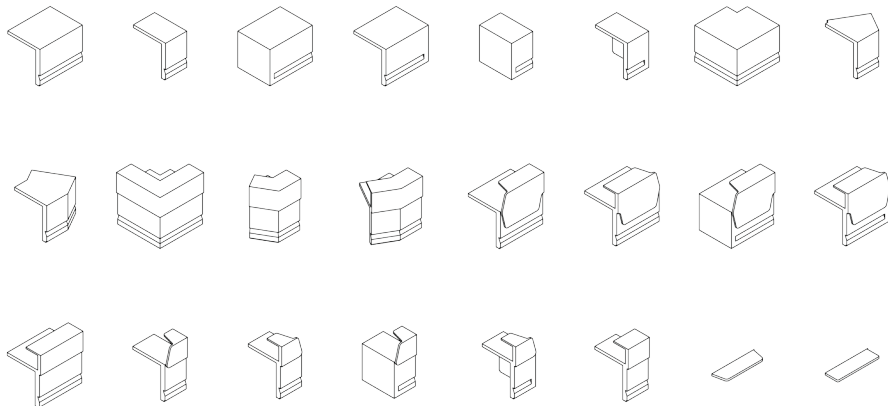

COUNTR is elegant and refined, making a subtle yet graceful statement. It is an adaptable system making COUNTR perfect for any space.

FORME

FORME is a motif system, with a minimal design and graphic looks. FORME works harmoniously in host of settings and is a perfect solution for any office reception.
